

# Camp Knutson Volunteers presented The 8th Annual Night Under the Stars on July 16, 2011

The Camp Knutson Volunteers would like to take this opportunity to thank all of you who participated in this wonderful and worthwhile event. Without all of your generous gifts of time, talents, and auction items, the Camp Knutson Volunteers would not have been able to raise over \$50,000 for the special campers at Camp Knutson. Some of the items designated for the campers include: an electric wheelchair, horseback riding opportunities for the Autism Camp kids, a NSF certified food processor and blender for the kitchen, new bow and arrows for the archery program, ski boom and ski tower for the tow boat (A great addition to the waterfront with lots of campers learning to wake board and ski because of this new equipment), marine Walkie-Talkies for boat drivers, and camp scholarships for those who need support.

In addition to the list of donors below, many other generous donors who wished to remain anonymous are included in this heartfelt "thank you." Camp Knutson Volunteers also deserve a "thanks" for all they did to make this event possible. Without **all** of your support, these special kids would not be able to experience Camp Knutson, "***a special place where every child is special***".
